

## Senior Activities

On Sept. 20, 2005, Sugar Land City Council voted to expand the Senior Citizens Program area into a Senior Citizens Center at its current location at 200 Matlage Way. The center will be expanded into the current Parks and Recreation administrative offices and a portion of Fire Station One. The Fire Department, its administrative offices and Fire Station 1 eventually will be relocated. The estimated completion of the newly expanded center is winter 2007.

The Parks and Recreation Department is looking for input from seniors regarding additional programs and activities they would like to see offered. This information will assist us in the design of the center. Please take a moment to give us your thoughts and refold, tape and return to us by Feb. 10, 2006.
